Fabric choice

ShadeTech® DeltaBlock® fabric is ideally suited to the ShadeTech® DBL Dimout Blind System. Alternatively, they can be manufactured using the fabric selected by the Specifier or client.

Maintenance

ShadeTech® Dimout Blinds are made from high quality materials. Cleaning regime depends upon fabric specified. Most can be wiped clean with a damp cloth.

Quality and Guarantee

ShadeTech® Dimout Blinds are manufactured and installed in accordance with a quality system certified under EN ISO 9001:2000. They are rigorously tested to guarantee trouble free operation, and are designed with Health and Safety and environmental standards in mind.

They carry a 5 year manufacturer's guarantee.
