

# PRATO

Dense curtain fabric; The natural looking textured weave is reminiscent of linen or raw silk. A textured weft contrasts with the underlying base. The elegant colour series incorporates a large number of hues which were inspired by nature. The easy care fabric can be used for multifarious applications in the contract and residential sectors. 26 colours are available in a width of 150 cm, six of which are also available in a width of 300 cm.
