RECOMMENDED CLEANING

Fixed Upholstery

To prevent pile damage regular cleaning is recommended to remove surface dirt. Remove any spillages promptly, with an absorbent cloth. For stains use a damp cloth and mild soap detergent, ensure all residue is removed and ensure that the pile is brushed back to its natural state.

Curtains and Loose Covers

Samples of all ILIV fabrics can be ordered free of charge from www.i-liv.co.uk.

Whilst we endeavour to ensure that every batch matches our swatches, variations do occur. If you require an exact match to a previous order please make the Sales Team aware at the time of ordering and if possible please send a cutting for us to match to.

For full details of the wash and care instructions please refer to the ILIV website or price list.
