

**BLIND CONCEALMENT SYSTEM**  
Designed to disappear.

## CONCEALED BLINDS

Blindspace is the leading provider of solutions to conceal blinds and recess curtain tracks. Our standard, modular and custom products are designed to conceal any type of blind, in any type of window or skylight. Our products to recess curtain tracks, can be used with manual curtain tracks and with most motorised curtain systems available on the market.

We work closely with architects, designers and leading blind specialists, continuously developing products and services to help them staying ahead. CAD drawings and useful images are all available on our webpage.

**Our mission is to provide more people with beautiful, bright and energy-efficient places in which to live, work, and play.**

DESIGN. NOT DISTRACTION.

## SHADING WHEN NEEDED

A beautiful end result with blinds appearing only when needed. Blindspace boxes can be made to fit any size of window and blind.

Blind hardware including side channels and cords are all concealed when not in use.

## MINIMAL DESIGN ULTIMATE FINISH

Only fabric visible when the blind is fully deployed, here with LED light from below.

WHY SPOIL THE DESIGN  
WITH A BLIND?

Blinds fully aligned with bi-folding doors

Concealed roller blinds in modern kitchen extensions with no corner post.

## CONCEALED DUAL BLINDS

100% BLACKOUT

## CLEAN LINES

Whole house with  
electric blinds  
hidden in every  
window.

VISION PRESERVED. SHADING INCLUDED
